A modern white toilet is positioned in the foreground of a bathroom. The bathroom features a large glass window that provides a panoramic view of a serene landscape. Outside, a calm lake reflects the surrounding environment, which includes a small village nestled at the base of a range of mountains. Bare trees are visible in the foreground and along the shoreline. The sky is a clear, pale blue. The toilet is white and sleek, with its reflection visible on the glossy floor. The overall atmosphere is peaceful and minimalist.

A woman is relaxing in a bathtub, her head tilted back and eyes closed. She is surrounded by steam and water droplets on her skin. In the background, several lit candles provide a warm, ambient glow. A shower head is visible above the tub, and a control panel with buttons is on the side of the tub. The overall mood is serene and relaxing.
